

EPEC PEDIATRICS WORKSHOP REGISTRATION

EPEC[®] Pediatrics

Education in Palliative & End-of-Life Care

In Rome, **from the 24th to the 27th of October 2023**, the Maruzza Foundation is organising the **EPEC Pediatrics workshop "Advanced Pain & Palliative Care"**, aimed at social and healthcare professionals working with children with serious illness and their families. The workshop will be led by Dr. Stefan J. Friedrichsdorf together with international experts from a range of disciplines. During the workshop held in English, topics such as 'Pain and Symptom Management', 'Working in a Team' and 'Communication with the Child and Family' will be addressed.

There are only 10 places still available for this workshop. Don't miss out!

THE "GIRO D'ITALIA OF PEDIATRIC PALLIATIVE CARE" 2023

From the 15th May to the 18th of June 2023 the Maruzza Foundation oversaw the coordination of the **second edition of the Giro d'Italia of Paediatric Palliative Care (GPPC)** a nation-wide awareness campaign aimed at promoting a positive

perception of children's palliative care in the general public and to raise awareness of the urgent need to develop paediatric palliative care services and networks throughout Italy. During the 2023 edition, in addition to 50 family-centred sporting, cultural, recreational events involving over 150 local organisations in 17 regions, a series of 13 workshops focused on dispelling the fallacies and misconceptions linked to palliative care and incurable illness in children were organised.

October 2024

6th International Maruzza Congress on Paediatric Palliative Care

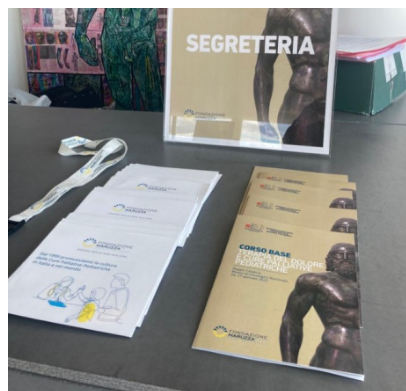

MAURO SENTINELLI SCHOLARSHIPS

The Maruzza Foundation is pleased and honoured to announce the **creation of two new Scholarships** for the Master's Degree programme in Pain Therapy and Paediatric Palliative Care proposed by Padua University. The scholarships, dedicated to the memory of Mauro Sentinelli, an active supporter of children's palliative care and member of the Maruzza Foundation's Board of Directors, **will cover the tuition fees for the academic year 2023/2024 for a paediatric nurse and a paediatrician resident in Italy.**

PPC AND PAIN MANAGEMENT TRAINING IN REGGIO CALABRIA

In January of this year, the Maruzza Foundation, in collaboration with the local healthcare authority of Reggio Calabria, coordinated a 2 day training course in basic paediatric palliative care and pain management for the medical staff operating in the region. Held in the magnificent setting of the city's Archaeological Museum, the Maruzza Lyceum team shared their expert knowledge, skills and experiences with the numerous participants with the objective of improving care provision to children and families with complex palliative care needs living in the local area.
